CNL STRATEGIC CAPITAL ANNOUNCES OPERATING RESULTS FOR THIRD QUARTER 2022

(Orlando, Fla.) Jan. 6, 2023 — CNL Strategic Capital, LLC (“CNL Strategic Capital,” the “Company” or “we”) seeks to provide current income and long-term appreciation to investors by acquiring controlling equity stakes in combination with loan positions in privately owned middle-market businesses. The Company announced its operating results for the nine months ended Sept. 30, 2022.

Highlights:

- As of Sept. 30, 2022, CNL Strategic Capital’s portfolio consisted of equity and debt investments in 11 portfolio companies and had approximately \$661.3 million in total assets, compared with approximately \$514.8 million as of Dec. 31, 2021.
- For the nine months ended Sept. 30, 2022, the Company recognized a net change in unrealized appreciation on investments of approximately \$27.6 million and had total investment income of approximately \$34.1 million. That compares with a net change in unrealized appreciation on investments of \$30.3 million and total investment income of approximately \$23.2 million for the first nine months of 2021.
- The cumulative total investment return based on net asset value (NAV) since inception and through Sept. 30, 2022, was approximately 65.2% for Class FA shares, 55.8% for Class A shares, 48.1% for Class T shares, 48.5% for Class D shares, 57.5% for Class I shares and 39.0% for Class S shares.¹ These returns are prior to any applicable sales load and assume shareholders reinvested their distributions.
- For the first nine months of 2022, CNL Strategic Capital received approximately \$136.7 million in net offering proceeds, including approximately \$5.3 million received through the distribution reinvestment plan. Since beginning operations in February 2018 until Sept. 30, 2022, CNL Strategic Capital has raised approximately \$593.1 million, including \$12.5 million received through the distribution reinvestment plan.

Cash distributions net of distributions reinvested during the periods presented were funded from the following sources (in thousands):

Total investment return based on net asset value (NAV) after incentive fees per share for the nine months ended Sept. 30, 2022:¹

Class FA	Class A	Class T	Class D	Class I	Class S
7.5%	6.8%	6.7%	7.0%	6.9%	8.5%

(These returns are prior to any applicable sales load and assume shareholders reinvested their distributions. These are not actual shareholder returns. Actual returns may vary materially.)

Cumulative total investment return based on NAV after sales fees since inception and through the nine months ended Sept. 30, 2022:¹

Class FA	Class A	Class T	Class D	Class I	Class S
65.2%	55.8%	48.1%	48.5%	57.5%	39.0%

(These returns are prior to any applicable sales load and assume shareholders reinvested their distributions. These are not actual shareholder returns. Actual returns may vary materially.)

¹This is not shareholder returns. Total investment return is calculated for each share class as the change in the net asset value for such share class during the period and assuming all distributions are reinvested. Amounts are not annualized and are not representative of total return as calculated for purposes of the total return incentive fee. Since there is no public market for the Company's shares, terminal market value per share is assumed to be equal to net asset value per share on the last day of the period presented. The Company's performance changes over time and currently may be different than that shown above. Past performance is no guarantee of future results. Investment performance is presented without regard to sales load that may be incurred by shareholders in the purchase of the Company's shares. ²Consists of distributions made from offering proceeds for the period presented. ³Excludes \$5,485 and \$2,985 of distributions reinvested pursuant to our distribution reinvestment plan during the nine months ended Sept. 30, 2022, and 2021, respectively. ⁴Net investment income includes reimbursement of expense support of \$2,535 and \$1,055 for the nine months ended Sept. 30, 2022, and 2021, respectively.
